### **MARLINS PARK**

Arlins Park is a state-of-the-art retractable roof ballpark located in the heart of Miami, on the historic Orange Bowl site. The ballpark features unobstructed views of Miami's skyline made possible by six operable glass panels and has a capacity of 37,442. Conceived as an abstraction of "water merging with land", symbolic of Miami's coastal landscape, Marlins Park offers fans the most incredible baseball experience where beauty and baseball merge. The ballpark will host a wide variety of events throughout the calendar year. Here are some of the reasons why Marlins Park is the best of its kind.

### SIT CLOSER THAN EVER

Rarely have the words ballpark and intimacy blended so well together. Seats at Marlins Park are among the closest to the playing field in all of baseball. Every seat has been placed with only one thing in mind - to provide guests with the ultimate fan experience. You will always be comfortable, cool and close to all the action and excitement.

### LOCATION

The site is fewer than two miles from downtown Miami, only three-quarters of a mile from the westbound SR 836 exit at 12th Avenue, and 0.4 miles from the eastbound exit at 17th Avenue. Via Interstate 95, the site is 1.25 miles from the NW 8th Street exit.

### TRANSPORTATION AND PARKING

Transportation to Marlins Park includes the Civic Center Metrorall Station and Culmer Metrorall station, Tir-rall - Metrorall transfer and the City of Miami Trolley Service. Also, fans will be able to park anywhere along the Miami-Dade Metrorall system, exit at Culmer Station and enjoy the dedicated Express Shuttle to Marlins Park. There will also be pedestrian access, bicycle routes, taxi and limousine access, bridge opening regulations to alleviate traffic, civic center parking and group bus parking.

Marlins Park will also feature four state-of-the-art parking facilities with a capacity of 4,700 vehicles. The parking garages will be managed by the City of Miami. The parking garages are located along first base, third base, home plate and center field, which render their names. Garage parking pricing will be dynamic. There will also be 1,000 parking spaces in surface lots to the east and west of the ballpark. A majority of season ticket packages come with a reserved parking space right next door to the ballpark. Fans purchasing single-game tickets may also purchase parking in a garage based on availability.

### **CONCOURSE OF ACTION**

The ballpark will feature an open 360-degree Promenade Level, giving fans a live view of the playing field no matter where they are. The Taste of Miami concession stands, provided by Levy Restaurants, feature Don Camaron, Papo Llega y Pon and Latin American Grill, and will provide specialty items, including seafood, pork sandwiches and Cuban sandwiches. This area will be located on the Promenade Level on the third base side, looking out at Miami'rs skyline. Levy Restaurants is the official concessionaire partner of the Marlins, welcoming each fan with world-class food and heartfelt hospitality. Marlins Park will also contain accessible seating locations and aisle-transfer seats offering a full complement of prices, locations and amenities.

### **CLIMATE**

The Marlins are committed to offering fans the best baseball experience and that starts with keeping a cool environment, literally. The state-of-the-art retractable roof will ensure that Marlins fans never again have to worry about the unpredictable Miami weather. The roof and air conditioning will provide a cool, comfortable environment every day. At Marlins Park, it will always be 75 degrees.

### **BALLPARK SIZE**

### **AFFORDABILITY**

The Miami Marlins are committed to offering affordable baseball entertainment to fit every budget. Marlins Park will have many individual seating options starting at just \$15.

### COST OF BUILDING MARLINS PARK

The cost of Marlins Park was \$515 million. The Miami Marlins provided \$161.2 million and were committed to funding any and all construction cost overruns, though there were none. Additionally, the team purchased from the City of Miami \$100 million worth of parking spaces in the newly constructed garage and will pay for maintenance, repairs, operations and insurance.

Miami-Dade County will provided for the ballpark \$50 million of Building Better Communities General Obligation Bond funds that were specifically allocated for the Orange Bowl site and \$297 million of county tourist-tax revenues. Under Florida law, these funds are set aside exclusively for tourism-related projects. No new taxes were levied for the project, nor were any tax rates increased. The City of Miami, provided the land and \$13 million towards construction.

### TIMELINE TO MARLINS PARK

May 24 -The Miami-Dade County commissioners give approval to the City of Miami for a large financing package that could help fund the construction of a new ballpark on the current site of the Orange Bowl. February 21 -City and County Commissioners vote to approve funding for a new ballpark for the Marlins.

November 21 -Circuit Judge Jeri Beth Cohen signs an order that says that a voter referendum is not required for the 37,000-seat stadium's financing plan. ### MIAMI'S SPORTS TRADITION EVOLVES...

Arlins Park replaced the legacy of the memorable Orange Bowl in Little Havana, just west of downtown Miami. With Marlins Park, the former Orange Bowl site will open its next chapter, continuing a legendary 77-year history of football, baseball, soccer, public events and major concerts attended by tens of millions of fans. Situated on the same footprint, Marlins Park will be the anchor for major redevelopment in the area. The home of the Marlins is a first-class ballpark, constructed on approximately 17 acres of the historic 42-acre Orange Bowl site. The ballpark features a unique structure composed of a natural grass playing field, including 39 private suites, the moveable wall in left field showcasing spectacular views of downtown Miami, two 450-gallon salt water aquariums located on each side of home plate, and incredible food options at The Clevelander, Taste of Miami, concessions and shops on the West Plaza.

### **BALLPARK OWNER**

Miami-Dade County owns Marlins Park and the City of Miami owns the four adjacent parking garages. The Miami Marlins, however, are responsible for maintaining and operating the ballpark.

### 'GREEN' BALLPARK

Marlins Park is the first retractable roof Gold LEED Certified facility in the world. The ballpark's environmentally friendly design incorporates conservation, sustainability and energy efficiency. During construction, the Miami Marlins recycled more than 98 % of the construction waste and engaged in pollution prevention plans. The design of the ballpark and the materials selected help promote conservation, pollution prevention as well as water reduction and energy efficiency. The Marlins also engaged in an indoor air quality plan to ensure the comfort and well-being of all fans.

### THE WEST PLAZA

The West Plaza at Marlins Park is a major change from the character of the old Orange Bowl. The west plaza reconnects Little Havana and creates an urban center. The West Plaza is unlike any other place in Miami, changing as the roof is rolled over the park below. The ballpark will feature four retail shops, including La Baguette, Holiday Bakery and YoBlendz intentionally creating a street edge that connects to the surrounding neighborhood. Fans will enjoy comfortable dining, shopping as well as special events, concerts and more. The West Plaza is the size of three and a half football fields and will be open to the public 365 days a year.

### MAKE A SPLASH AT THE CLEVELANDER

Literally, fans can enjoy an authentic South Beach experience at Marlins Park. The Clevelander at Marlins Park will feature an exciting, poolside venue with great food, entertainment and private event space year-round. The Clevelander at Marlins Park will hold approximately 260 guests and will also offer Field Level seats, select table service located beside the Marlins bullpen, and a menu of great Clevelander classic food selections with a ballpark twist. The Clevelander at Marlins Park will also be home to the exciting entertainment of the original South Beach location, including dancers and DJs live from the pool area. The new poolside bar and grill will also be open for extended periods following each Marlins home game, and will also be available for private events for corporations, social groups and friendly gatherings.

### ART IN PUBLIC PLACES AT MARLINS PARK

Marlins Park features five art installations that differentiate it dramatically from other ballparks in the country. This effort was part of Miami-Dade County's Art in Public Places initiative.

Miami-Dade Art in Public Places serves the community through the implementation of art installations and educational programming dedicated to enriching the public environment and to preserving and enhancing the artistic and civic pride of Miami-Dade County. Miami-Dade Art in Public Places promotes collaboration and creative art projects that improve the visual quality of public spaces. At their most successful, these public art installations can transform public spaces from ordinary civic areas to sites that can lift the spirit and connect with the community.

### **RED GROOMS**

Marlins Park will feature works of art from renowned artists Daniel Arsham/Snarkitecture, Carlos Cruz-Diez and Red Grooms. The signature home run sculpture will be implemented by American pop artist Red Grooms. A pioneer of site-specific sculpture and installation art, Grooms "sculpto-pictorama" design for the home run sculpture depicts an elaborate tableau of bright colors, stylized water and spectacular lasers. Dotted with clouds, flamingos, seagulls and plenty of Florida-inspired kitsch, the design incorporates moving parts that will activate when a Marlins home run is hit. He's internationally known for his enormous outdoor spectacles, starting with his urban "happenings" back in the 1960s.

### CARLOS CRUZ-DIEZ

In addition to Grooms, Venezuelan artist Carlos Cruz-Diez, an originator of kinetic and color sculpture, will transform Marlins Park's main entrance, while local artist and architect Daniel Arsham will light up the structure's towering columns and also provide a tribute to the now-demolished Orange Bowl.

Upon arriving at the ballpark, fans will experience Cruz-Diez's unique perspective on perception and color when walking on the East Plaza toward the Home Plate entrance. Occupying four acres of land on the west side of the ballpark, the West Plaza will be one of the largest of any stadium in the history of the United States and will serve as a canvas for Cruz-Diez to transform the vast, urban space into a beautiful, inviting and active entrance. An integral element of the plaza hardscape, the geometric paving patterns will visually guiding ballpark visitors from the parking lots toward the ballpark. The design of the paving system will be based on color, line and viewer perception, allowing the colors to create a sensation of movement as the relative position of the viewer changes. Entitled "Chromatic Induction in a Double Frequency", the paving designs are described by Cruz-Diez as "chromatic events in continuous transformation, which alter as pedestrians walk by and as the conditions of sunlight or artificial light vary. "Cruz-Diez, an icon in his native Venezuela and famous since the 1960s for his work involving sensory manipulation, will use a paving system based on color, line, and viewer perception to create visual signage to the various ballpark entrances.

### DANIEL ARSHAM

At the east entrance, Arsham erected his Orange Bowl tribute. Across this plaza, ten-foot-high reproductions of the letters that spelled out "Miami Orange Bowl" on the old stadium will be scattered -- some standing, some leaning, some on their sides. Based on Arsham's vivid memories of the "Miami Orange Bowl" sign, the Commemorative Marker (A Memorial Bowing) will replicate the orange and white letters on the former football stadium.

### **CHRISTIAN MOELLER**

Christian Moeller's art will be visible on the four main entryways of the ballpark's garages. Moeller's work will incorporate approximately 8,900 square feet of the garage façade. Moeller's concept is to involve residents in generating photographic images of children peering through a ballpark fence, which the artist then will "translate" into large-scale "murals" that will cover the sides of the garages facing the stadium. The murals are created as "bit-map" paintings through a technique developed by Moeller that involves affixing a matrix of plastic discs on fencing; the works are produced with digitally programmed machinery owned by the artist.

### **DIAMOND CLUB**

The Diamond Club will be Miami's most exclusive premium entertainment experience. Located on the Field Level directly behind home plate, these seats are ideal to entertain clients, friends and family, reward your employees, socialize with other guests, or simply to enjoy the best seats in the house for each Marlins game.

### MIAMI MARLINS COMMUNITY OUTREACH PHILOSOPHY

The Miami Marlins, L.P. is an active partner in the South Florida community. By supporting community and charitable causes, we are exercising our commitment of being a responsible and civic-minded business.

Through Marlins Ayudan and our outreach activities, the Marlins continuously reach beyond the walls of the ballpark to meet face-to-face with fans of all ages. Baseball is a family game, and we are committed to ensuring that the Marlins impact every member of our diverse community in a positive manner.

The catalyst may be a child high-fiving their favorite player, a youngster hugging Billy The Marlin, a youth group cheer-ing on their hometown team, or one of our players reinforcing the importance of education during Marlins@ School Week. We are committed to building a brighter future for South Florida.

### **ALL HEART AWARD**

The Marlins presented the 2011 All Heart Award to Gaby Sanchez. The All Heart Award is presented to the Marlins player who best exemplifies the team's commitment to the South Florida community by making a positive impact on our youth and serving as a role model for others.

Since his MLB debut with the Club in 2008, Gaby has been heavily involved in Marlins youth programs; he participates in Marlins@School Week and the Marlins Youth Baseball Clinic Series, offering instruction to youths on the fundamentals of baseball. Gaby has always expressed interest in teaching baseball to children with special needs and has annually participated in the Challenger League clinic.

Gaby, along with teammate Emilio Bonifacio, is a spokesperson for the annual Baseball Tomorrow Fund Equipment Drive. He encourages fans to donate new and lightly used baseball and softball equipment, which is distributed through RBI (Reviving Baseball in Inner Cities) to local teams in underserved communities as well as the Dominican Republic.

He actively participates in the Club's annual Caravan week, spending time at local events throughout the tri-county area. During Caravan for the Troops in 2011, he was part of the Marlins contingent who travelled to Guantanamo Naval Base in Cuba to visit U.S. troops. Gaby expressed how honored he was to be a part of the trip, but most of all that he had the opportunity to spend time with and get to know the men and women of the U.S. military who risk their lives daily to protect our freedom.

Gaby gives his time to support the Marlins Foundation (MF) with their fundraising efforts as well as fulfilling the mission of the Club and Foundation. The mission of the Marlins Foundation is to promote educational, athletic, health, social and community service programs with a particular focus on South Florida. During his time with the team, he has attended numerous Marlins Foundation events. For the past two years he has served as the co-chair of the annual Marlins Celebrity Classic Golf Tournament. The 2012 Celebrity Classic raised over \$75,000 for The Miracle League of Miami Dade County. Gaby is a spokesperson for the Miracle League of Miami-Dade and directs his contributions toward that cause. Gaby also serves as a spokesperson for the Miami-Dade County Parks Department, participating in the MILO Fit to Play program.

Born and raised in Miami, Gaby is committed to giving back to his hometown year-round. He has participated in many Marlins holiday initiatives over the years, including Thanksgiving meal distributions, Christmas tree distributions as well as toy distributions.

Gaby is always willing to meet with fans and do what he can to brighten their day, whether it's taking photos with them, signing autographs, or just giving them a wave of acknowledgement. His infectious personality and genuine desire to give back and make a difference in his home town has won the hearts of many. His selflessness and humilities what this award is about. He is truly an ambassador of the game and an excellent role model for youngsters, as well as professional athletes across all sports. Gaby is the perfect example of what it means to give from the heart.

### YOUTH PROGRAMS

The foundation of every child's future is a strong mind and a strong body. Through education, the arts and baseball, the Marlins provide the tools for Florida's youths to develop both their minds and bodies in a positive manner.

### **EDUCATION**

### Marlins@School

Marlins@School is an on-line curriculum enhancement program that utilizes the Marlins as the basis for the lessons. Marlins@School aims to enhance the learning experiences of children in grades four through six by linking baseball to the curriculum areas of language arts, mathematics, science, health/fitness and geography. The program is free to educators and the lessons are in line with FCAT standards and requirements. Marlins players, coaches and broadcasters will visit 16 participating classrooms during Marlins@ School Week in May.

### **Teacher Appreciation Night**

The Marlins recognize the Teacher of the Year from Broward, Miami-Dade, Monroe and Palm Beach counties during a pre-game ceremony. Complimentary tickets are given to every school's Teacher of the Year nominee.

### THE ARTS

The Marlins recognize that an important part of developing a strong mind is stimulating creativity and imagination. Therefore, the Marlins pursue partnerships with art programs and museums that strive to enhance the lives and learning of children and adults alike.

### The Marlins Masterpieces Art Series

The Marlins Masterpieces Art Series artistically engages the youth of South Florida throughout the calendar year. Young artists are invited to participate in the three contests: the Spring Series, the Summer Series, and the Holiday Series. The Spring Series challenges elementary, middle and high school kids to create "Marlinized" pieces of work within the theme of Speed, Power and Teamwork. The Summer Series encourages summer campers to put their creativity to the test by artistically altering a three-dimensional object into a Marlins Masterpiece. The Holiday Series invites elementary, middle and high school students to create the cover of the Marlins Foundation's holiday card.

### BASEBALL

### **Marlins Youth Baseball Clinic Series**

The Marlins Youth Baseball Clinic Series allows Marlins coaches and players the opportunity to pass along their baseball knowledge. In order to give children the experience of learning baseball from professionals, the Marlins conduct clinics on select Saturday mornings throughout the year. Marlins players and coaches reinforce the fundamentals of pitching, hitting and fielding.

### RBI

Reviving Baseball in Inner Cities (RBI) is a youth program offering children ages 13-18, who live in disadvantaged areas, the opportunity to participate in organized baseball. This program is designed to promote interest in baseball, academic achievement and social responsibility in underserved areas of South Florida. The Marlins supply the uniforms, umpires and equipment for more than 500 children. All participants enjoy a fun and competitive summer league, clinics hosted by Marlins players and alumni, recognition on the field during RBI Night, and the opportunity to be selected for the RBI All Star team that competes in the Southeast Regional Tournament.

Jr. RBI

The Marlins have partnered with the City of Miami Parks and Recreation Department and the Miami-Dade County Parks and Recreation to offer the Jr. RBI league. Through the league, children have the opportunity to begin playing in the T-ball division and advance through the Coach Pitch division and into the Kid Pitch division. The league has been funded through the Marlins Foundation. The program allows kids the opportunity to begin playing baseball at a younger age so that they may eventually graduate into the RBI program.

### **Marlins AYUDAN**

With the groundbreaking of our new Ballpark on July 18, 2009, the Marlins long-term future in South Florida was solidified. The community's commitment to keeping the Marlins in Miami was immediately reciprocated and the Marlins Ayudan program was born. The Marlins family is dedicated to making South Florida a great place to live, and Marlins Ayudan is one way.

Philanthropy is time, talent and treasure. Our philanthropy is a calling to give more than grants, but of ourselves. Marlins Ayudan (Spanish for "help") is our front-office volunteer program. Marlins Ayudan is a top of mind service corps that responds to a variety of community needs and is now widely known to be an accountable and recognizable corporate leader in volunteerism.

The goal of Marlins Ayudan is three-fold. It is to leave a lasting legacy as a result of Marlins Ayudan activities; to engage our front office in volunteer work as well as act as a conduit to help each employee find a cause he/ she is passionate about; and to be recognized by our fan base as a corporate leader in volunteerism that fulfills an integral role within the community.

In just two seasons, Marlins Ayudan, also known as The Blue Shirts, have worked thousands of hours making an impact in the areas of education, the arts, baseball, environmental improvements, health causes, international relief and military appreciation. An estimated 30,000 people have been directly impacted by Marlins Ayudan.

The Marlins organization is proud that our fans and ballpark neighbors know our players and front office staff

alike; our players are known on the field, and our front office staff is known off the field.

### **Player Appearances**

Marlins players make various community visits throughout the year. Visits to schools, hospitals, youth centers and local businesses give the players the opportunity to interact with fans outside the stadium.

### Youth Baseball and Softball Partnership Program

The Marlins invite youth baseball and softball leagues throughout South Florida to become partners. Benefits include access to group rates for tickets, parades for league participants and exclusive league recognition during games.

The Marlins Foundation supports the charity partners of the Miami Marlins through philanthropy and service. The Foundation is committed to improving the lives of our youth through education, the arts and baseball, with a special focus on children with special needs. The funds raised by the Foundation provide unique experiences for kids in our schools, parks and on the water. The Foundation community partnerships and outreach efforts demonstrate the Marlins' leadership in corporate responsibility and civic engagement.

### JEFFREY H. LORIA

• Jeffrey H. Loria begins his 11th season as Owner of the Miami Marlins and first in the team's new home, Marlins Park. His vision and attention to detail made Marlins Park an architectural marvel and one of the country's most unique and beautiful ballparks. His guidance helped the facility earn Gold LEED certifica-

tion, officially making it the greenest ballpark in America. Marlins Park is also the world's first retractable roof facility to earn such honors.

- Loria's continued commitment to winning was demonstrated during the off-season by the hiring of new manager Ozzie Guillen and the signing of top free agents in Jose Reyes, Mark Buehrle and Heath Bell. Loria started building the foundation over the last few years with multi-year commitments, including signing All-Stars Hanley Ramirez and Josh Johnson to long-term deals.
- Under his leadership, the Marlins have won one World Series Championship and posted winning seasons five times, including three straight from 2003-05 and two straight from 2008-09. Prior to his tenure as Marlins Owner, the Club had produced just one winning season (1997) in nine National League campaigns.
- Loria officially became the third owner in Club history after purchasing the Marlins from John Henry on February 15, 2002, and he
  took over the team following the sale's unanimous approval by Major League Owners.
- Following the 2007 season, Loria secured his baseball personnel by signing Larry Beinfest (President, Baseball Operations), Michael Hill (VP, General Manager), Dan Jennings (Asst. GM, VP of Player Personnel) and Jim Fleming (Special Assistant to the President of Baseball Operations) to long-term extensions through the 2015 season.
- Loria led the Marlins to a World Series title in his second season, 2003, becoming the fastest majority owner to join a franchise and guide it to a championship since Detroit Tigers Owner Thomas S. Monaghan won in his first season in 1984.
- After a 16-22 start to that championship campaign, he made a managerial change on May 11, naming Jack McKeon the seventh
  manager in Marlins history. That, along with the acquisitions of American League saves leader Ugueth Urbina (Texas Rangers) and
  South Florida baseball favorite Jeff Conine (Baltimore Orioles) sparked the Marlins en route to a National League Wild Card and
  eventual World Series Championship.
- The Marlins won the 2003 World Series in six games over the New York Yankees, capped off by a 2-0 shutout at Yankee Stadium on October 25. The Marlins won 91 games that season, one shy of the Club record established during the 1997 Championship campaign. No team won more games than the Marlins from May 23 through the end of the season.
- Loria first became involved in professional baseball in 1989 when he purchased the Triple-A American Association Oklahoma City 89ers, now the Pacific Coast League's RedHawks, which he owned until 1993. He was named the American Association's Executive of the Year in 1992, the same season his Club won the Triple-A Championship.
- Born in New York City, he received his undergraduate degree from Yale University in 1962, before earning his MBA from Columbia University.
- A leading international Art Dealer since 1962, Loria specializes in major paintings and sculptures by 20th Century Masters. He is a
  former member of the Board of Directors of the Art Dealers Association of America and is an emeritus member of the Board of
  Directors for the Benjamin N. Cardozo School of Law of Yeshiva University in New York City. He is also active in numerous charitable
  organizations. He is the author of two books, "Collecting Original Art" and "What's It All About Charlie Brown?"
- · Loria spends much time supporting many charities around the world, including hospitals, educational institutions and museums.
- · Loria divides his time between his homes in New York and South Florida.

### CARL BARGER

The Marlins dedicated the Club's inaugural season to Carl Barger, who passed away December 9, 1992 at the Baseball Winter Meetings. Mr. Barger was the Marlins first President and Chief Operating Officer. Following the organization's move to Marlins Park in downtown Miami, the Miami Marlins will honor the legacy of Mr. Barger with a commemorative plaque.

### DAVID P. SAMSON PRESIDENT

- David Samson enters his 13th season in Major League Baseball and 11th as President of the Miami Marlins.
   He is one of only seven current Presidents in Major League Baseball who has presided over a World Series champion.
- As Club President, Samson oversees all aspects of the team's day-to-day business operations, including sales, marketing, operations and personnel matters. He also oversaw the successful completion of Marlins Park in Miami. Construction of the baseball-only, retractable roof, air-conditioned facility exceeded all stated goals from local worker participation to local firm involvement. Under Samson's leadership Marlins Park was completed on budget and on schedule while also earning Gold LEED certification, officially making it the greenest ballpark in America and the world's first-ever retractable roof facility to earn such distinction.
- Samson works closely with Owner and CEO, Jeffrey Loria, on all baseball matters and general corporate strategy. Samson is also
  the President of the Miamil Marlins Community Foundation, which focuses its efforts on baseball, arts and educational needs of the
  South Florida community. The Foundation distributed well over \$1 million to worthy charities in South Florida in 2011 and is already
  on pace to surpass that amount in 2012.
- On April 27, 2012, Samson will run 50 miles from Pompano Beach to Marlins Park to raise funds for 10 "Charities of Choice" to honor the construction workers who made Marlins Park a reality. The run will raise over \$500,000 through sponsor and individual donations.
- Among his accomplishments, Samson was named one of Sports Business Journal's "Forty Under 40" for two years running, 2003-04.
   Other highlights, in addition to the 2003 World Series Championship, included the Florida Marlins being named South Florida's No.
   1 Film and Entertainment Company of the Year and Baseball America's Organization of the Year.
- Samson, 44, was born in Milwaukee, WI, and was raised in New York City. He graduated from the University of Wisconsin-Madison with a bachelor's in Economics in 1990. He received a Juris Doctor from the Benjamin N. Cardozo School of Law in New York City in 1993. He is a member of the New York State Bar. Following law school, Samson became President and Founder of News Travels Fast, the first company to deliver the New York Times to Europe on a same-day basis. In 1996, Samson joined Morgan Stanley, an investment bank in New York City, a position he resigned in 1999 when he joined the Montreal Expos as Executive Vice President.
- On October 21, 2006, Samson became the first active team President to complete the Ford Ironman World Championship Triathlon in Kona, Hawaii. In addition to swimming 2.4 miles, biking 112 miles, and then running a full marathon, all in 15 hours, 36 minutes, Samson personally raised over \$250,000 for the Florida Marlins Community Foundation, the Challenged Athletes Foundation ("CAF") and other local Hawaiian charities.
- Samson concentrates his charitable efforts on helping underprivileged and sick children experience summer camp and improved education and health care. In addition, he is a member of CAF's Board of Directors. His vision is to help increase its visibility, thus enabling more physically challenged athletes to compete in triathlons as well as other sports. In 2009, Samson was appointed to serve on the Board of Governors of the Miami Foundation. The foundation's primary purpose is to encourage philanthropy and charitable giving by developing a permanent endowment to meet merging charitable needs. In 2010, Samson was named to Benjamin N. Cardozo School of Law's Board of Overseers. As a member of this board he works closely with Dean Matthew Diller to continue Cardozo's renowned clinical programs, as well as the continued growth of its public interest scholarship programs. Samson also serves on the Miami Children's Museum Board of Directors.
- Samson also manifests his love of movies through the popular weekly segment on the Dan Lebatard show on the team's flagship
  radio station. This show gives him an opportunity to review and discuss movies and other points of cultural and social interest.
   Samson annually delivers over 100 speeches in and around South Florida and the United States on subjects varying from the business of baseball to general motivation.
- He and his wife, Cindi, a former school director, have been married for 21 years and have two daughters, Hannah and Kyra, and a son, Caleb.

### JOEL MAEL VICE CHAIRMAN

- The 2012 season marks Joel A. Mael's 11th as Vice-Chairman of the Miami Marlins, a position he was named to in February of 2002. Prior to joining the Marlins, for three years, Mael worked closely with the Montreal Expos organization, as a financial advisor. His business relationship with Owner Jeffrey Loria dates back over 21 years, and he continues to advise ownership and management on a myriad issues.
- Mael co-founded the investment and merchant banking firm Tallwood Associates in 1990. The New York City firm has completed
  over 100 transactions/investments since its inception. Mael sits on the boards of many of the firms' numerous clients.
- Following his graduation from business school in 1981, Mael spent 10 years in Drexel Burnham's Corporate Finance department,
  rose to the Managing Director level and was a member of the department's executive committee. At Drexel, he was involved in
  over \$5 billion of financings and numerous M&A and LBO transactions.
- Mael was born in Montreal, Canada, and raised in Brookline, MA. He earned a B.A. in Economics from Yeshiva College and an MBA from Harvard Business School in 1981.
- Mael was elected as a Trustee of the Village of Lawrence, NY, in 2003, and is currently serving as Deputy Mayor in his 5th two-year term. He also serves on the board of directors of Yeshiva College and other various charitable institutions. Mael, 55, and his wife, Lynn, have four children: Ayelet, Jonathan, Daniella and Aviva.

### LARRY BEINFEST PRESIDENT, BASEBALL OPERATIONS

• Larry Beinfest enters his  $23^{rd}$  season in professional baseball in 2012, his 11th year atop the Marlins Baseball Operations Department. He was promoted to President of Baseball Operations and signed an extension through the 2015 season on September 29, 2007. He previously served as Executive Vice President and

General Manager. In his 10 seasons, the Marlins have compiled an 808-811 record (.499) and a World Series title. During Beinfest's tenure, the Marlins have posted seven of their top nine single season win totals (91 in 2003, 2nd; 87 in 2009, 2nd; 84 in 2008, 3rd; 83 in 2004 and 2005, tied for 4th; 80 in 2010, tied for 7th and 79 in 2002, tied for 9th). In the Club's first nine seasons, the Marlins had one winning season and made one playoff appearance, as they won the World Series in 1997.

- The offseason proved to be one of the busiest in the franchise's history, as Beinfest brought in All-Stars Heath Bell, Jose Reyes and Mark Buehrle. Those additions look to compliment a young nucleus of players to come through the Marlins' system, which consists of Mike Stanton, Logan Morrison, Gaby Sanchez and Steve Cishek.
- Over the past six seasons, Beinfest has re-tooled the Marlins roster, acquiring talents such as Hanley Ramirez, Anibal Sanchez, Ricky Nolasco, Omar Infante, Emilio Bonifacio, John Buck and Greg Dobbs through trades and free agency. Ramirez went on to become the 2006 NL Rookie of the Year, the second NL Rookie of the Year acquired via trade during Beinfest's tenure with the Club (also Dontrelle Willis), and in 2009 Chris Coghlan became the third Marlins Rookie of the Year winner in seven seasons.
- In 2003, the Marlins won the World Series Championship and were recognized as the Organization of the Year by Baseball America. The 2003 Marlins produced a 91-71 record, the third-best mark in the National League, behind Atlanta and San Francisco. The minor league system combined for a 343-340 mark and three postseason playoff berths, a feat accomplished for just the second time in the organization's first 11 seasons. Beinfest was named the Rube Foster Legacy Award winner by the Negro Leagues Baseball Museum as the 2003 National League Executive of the Year.
- Beinfest built the Marlins into a 2003 playoff contender and eventual World Series champion through a number of trades and free
  agent acquisitions. Prior to the start of the 2002 season, the Marlins acquired Dontrelle Willis and during the year added Carl Pavano
  and Juan Encarnacion. In the offseason, Beinfest added 14-game winner Mark Redman, 2003 team Most Valuable Player Juan
  Pierre and future Hall of Famer Ivan "Pudge" Rodriguez.
- During the 2003 campaign, Beinfest acquired then-American League saves leader Ugueth Urbina from the Texas Rangers, signed
  all-time pinch-hit leader Lenny Harris and pitchers Chad Fox and Rick Helling to help strengthen the team during its playoff run.
   When All-Star third baseman Mike Lowell broke his left hand on August 30, he acquired Jeff Conine from the Baltimore Orioles prior
  to the midnight deadline on August 31.
- Beinfest is one of just three active Baseball Operations heads to win a World Series within his first two seasons. Yankees General Manager Brian Cashman won the trophy in his first season (1998), while Beinfest and Red Sox General Manager Theo Epstein both accomplished the task during their second seasons. Beinfest is one of eight active Baseball Ops heads to win a World Series, joining Cashman, Epstein, Ken Williams, David Dombrowski, Walt Jocketty, Brian Sabean and John Mozeliak.
- Beinfest was named the second General Manager in Club history (following Dave Dombrowski) on February 12, 2002. Prior to joining
  the Marlins, he served as the Montreal Expos Interim General Manager, named to that position on October 2, 2001.
- Beinfest was named the Expos Assistant General Manager on December 3, 1999. He was involved in all aspects of baseball operations, including contract negotiations, salary arbitration and rules and waiver compliance. McKeon also became the oldest manager to win a World Series and the oldest Major League manager to reach the postseason for the first time. He was 72 years and 10 months old on the regular season's final day, nearly 10 years older than the previous record-holder, Burt Shotton (62 years, 11 months) in 1947 when he led the Brooklyn Dodgers to the NL pennant. Became the 12th manager to replace a fired manager and lead his team to the postseason. Was the seventh manager to take his team to the World Series (first since 1983 - Philadelphia's Paul Owens) and was the second to win the World Series, joining the Yankees' Bob Lemon (who replaced Billy Martin) in 1978. Began the 1978 season as a coach for Oakland and was named manager again on May 23, 1978. Received his first taste of Major League managing when he was hired in October of 1972 to lead the Kansas City Royals. He continued with the Royals until July 24, 1975, when he was replaced by Whitey Herzog. Overall, posted a 215-205 record in 420 games with Kansas City.
- Posted an 1146-1123 record, a .505 winning percentage, in 17 seasons as a minor league manager. Was named Manager of the Year four times: 1958 at Missoula of the Pioneer League, 1961 at Wilson of the Carolina League and back-to-back awards in the American Association, winning with Omaha in both 1969 and 1970. His first experience as a manager came on June 11, 1955 at Fayetteville (NC), when he was named player/manager. Had his club in a first place tie until a hand injury on August 6 forced him from the lineup, and management replaced him in a move that allowed one person to handle both jobs. Following his stint with Kansas City, managed at Richmond in the International League in 1976 and led Denver of the American Association in 1979, following his two-year stay in Oakland.
- Prior to returning to the dugout on July 25, 1997, served as the Reds' Senior Advisor for Player Personnel, consulting with General Manager Jim Bowden on trades, player evaluations and special assignments. He compiled an overall record of 678-617 and left as the third-winningest manager in ChiSox history behind Jimmy Dykes (899) and Al Lopez (840). He also had the distinction of being the only manager in Chicago history to secure more than one division/league title, guiding the Club to a 2005 World Series championship and a 2008 American League Central title.
- Guillen became just the fifth manager in MLB history to be acquired in a trade, as the Marlins sent right-handed pitcher Jhan Mariñez and infielder Ozzie Martinez to the White Sox as compensation for the rights to speak with the manager. The Marlins also acquired RHP Ricardo Andres in the deal. The other managers who were traded from one team to another were Lou
- Piniella (2002), Chuck Tanner (1977), Joe Gordon (1960) and Jimmy Dykes (1960).

  He recorded his 523<sup>rd</sup> win on May 3, 2010 vs. Kansas City, moving him past Tony LaRussa into third place in White Sox history, and

- · Was named 2005 AL Manager of the Year by the BBWAA, The Sporting News and Baseball America after guiding the White Sox to a 99-63 record and their first World Championship since 1917. Joined Tony La Russa (1983), Jeff Torborg (1990), Gene Lamont (1993) and Jerry Manuel (2000) as White Sox managers honored by the BBWAA. Guillen, who was the AL Rookie of the Year in 1985, was just the third person to win both awards, joining Frank Robinson and Lou Piniella. Was the youngest Major League manager to win the award since San Diego's Bruce Bochy also was 41 in 1996 and the youngest AL manager since New York's Buck Showalter was 38 in 1994. The Sox went 11-1 on their way to the World Championship, tying the 1999 Yankees for the second-best postseason record since 1969 (minimum seven games) behind only the 1976 Cincinnati Reds, who were 7-0. Sox swept defending World Champion Boston in the ALDS and defeated the Angels, 4-1, in the ALCS before sweeping Houston in the World Series. Chicago joined the 1927 New York Yankees as the only teams in Major League history to lead its league/division wire-to-wire and then sweep the World Series in four games. Only three other pitchers had at least three hits and three-or-more RBI at plate while striking out at least 12 opposing batters in same game: Dazzy Vance did it for 1925 Brooklyn Dodgers, as did J.R. Richard for 1976 Astros and Steve Carlton for 1977 Phillies (Elias Sports Bureau).

#### **2011 SUMMARY**

- Ranked sixth in National League (13<sup>th</sup> in Majors) in strikeouts. Set a new career high with 11 strikeouts on May 8 vs. Washington, a mark he would tie on September 10 at Pittsburgh.
- Set a new career high with a six-game winning streak from April 22 to June 26. However, also suffered longest drought of career in terms of both starts without a win and consecutive losses. After earning sixth win on June 10 vs. Arizona, went 11 starts before next victory (on August 16). In that span, went 0-5 with a 5.31 ERA (61.0 IP/36 ER), and opponents batted .306 (76x248) with seven home runs, 16 doubles and three triples.
- From May 8-31, went 4-0 with a 1.15 ERA (39.0/5) over five starts. Prior to that, last Marlins' pitcher to go 4-0 or better with an ERA that low over a five-start span was A.J. Burnett, who went 5-0 with a 0.93 ERA over a five-start span from July 30 to August 19 of 2005 (Elias Sports Bureau).
- On April 22 vs. Colorado, lost no-hit bid in ninth inning but completed a one-hit, 4-1 victory over Rockies.
- Also had two complete-game shutouts. Second of two was also a one-hitter, on September 10 at Pittsburgh, which marked final win of season. Prior to that, on May 26 at San Francisco, gave up five hits and two walks while striking out eight, holding Giants scareless in a 1-0 win
- Now has a no-hitter and three one-hitters since making Major League debut in 2006; no other ML pitcher over that span has thrown four complete games allowing either one hit or no hits. Only Mark Buehrle, Matt Cain, Matt Garza, Roy Halladay, Tim Hudson, Roy Oswalt and Justin Verlander have had more than one, all with two (Elias Sports Bureau).
- Has four career 9.0-inning complete games with one-or-fewer hits. Of 12 times that
  has happened in Franchise history, Kevin Brown is only other pitcher who has accomplished the feat multiple times (twice). Those outings include a no-hitter for both
  Sanchez (September 6, 2006 vs. Arizona) and Brown (June 10, 1997 at San Francisco)
- Through first 16 starts, was 6-1 with a 2.82 ERA (105.1/33), with a .231 opponents' batting average (90x389). In final 16 starts, was 2-8 with a 4.65 ERA (91.0/47) and a .270
  opponents' batting average (97x359).

### **2011 SEASON REVIEW**

#### **2011 SEASON NOTES**

YOUNG BUCKS: The Marlins Opening Day outfield in 2011, which consisted of Logan Morrison (23), Chris Coghlan (25) and Giancarlo Stanton (21), began the season with an average age of 23.6 years. Only two teams since 1990 had a younger starting outfield on Opening Day: Tampa Bay in both 2003 (Carl Crawford-21, Rocco Baldelli-21, Ben Grieve-26; 23.4) and 2007 (Crawford-25, Elijah Dukes-22, Delmon Young-21; 23.3). – Elias Sports Bureau

BUCK'S SPECTACULAR INTRODUCTION: John Buck became the fourth Marlin to connect for an Opening Day grand slam, following the accomplishments of Hanley Ramirez in 2009, Juan Encarnacion in '05 and Preston Wilson in '02. It was the third Opening Day grand slam done at home (also Ramirez and Encarnacion). According to the Elias

Sports Bureau, at the he was only the second player in Marlins history to hit a grand slam in his first game with the team. Jeremy Hermida did so in his first Major League at-bat against the Cardinals' Al Reyes on Aug. 31, 2005. In addition, he is the 10th player in Club history whose first home run as a Marlin was a grand slam. See list at right.

WHEN THREE IS ALL YOU NEED: The Marlins had only three hits in their 6-3 win against the Rockles on April 24, but two of them produced all six of their runs -- a bases-loaded triple by Omar Infante and a three-run homer by Giancarlo Stanton. Florida became the first Major League team in six years to score six-or-more runs in a game while recording three-orfewer hits. That had last been done by the Reds, whose three-hit attack beat the Mets, 6-3, in April 2005.

**STARTING OFF STRONG:** Josh Johnson posted the fourth-lowest ERA through the end of April (min. 40 IP) since 1913, when earned runs were first officially compiled. Here's a look, courtesy of *Elias Sports Bureau*:

	ML LOWEST ERA THROUGH APRIL Since 1913 (Min. 40.0 IP)									
YEAR	PITCHER	IP	ER	ERA						
1981	Fernando Valenzuela, LAD	45.0	1	0.20						
1985	Fernando Valenzuela, LAD	42.0	1	0.21						
1965	Juan Marichal, SF	42.0	4	0.86						
2011	Josh Johnson, FLA	41.0	4	0.88						

DOING THE WORK THEMSELVES: The Marlins had four pitchers drive in game-winning runs in 2011, the most of any team in the National League. Josh Johnson was the first to do so, driving in the eventual game-winner in the second inning of a 6-0 shutout of the Pittsburgh Pirates on April 19. Anibal Sanchez followed suit on April 22 vs. Colorado, and again on May 31 at Arizona. Burke Badenhop earned a win by driving in a run against the Mets on May 16 at Citi Field. Brad Hand was the last to do so, plating the game-winner on July 28 at Washington. Sanchez was tied with Livan Hernandez, Cliff Lee, Jake Westbrook and Jordan Zimmermann for the second-most game-winning RBI among pitchers in 2011, behind Chris Narveson (3).

INTERLEAGUE NOTES: The Fish posted an 8-10 record in Interleague games in 2011, finishing with the third-lowest winning percentage in Club history. The 2004 Marlins went 7-11 (.389) and the 2008 team owns the lowest after going 5-10 (.333). Despite the sub .500 mark Hanley Ramifrez led the

Marlins offense in nearly every offensive category, posting a .313 average (20x64) with 14 runs scored, four home runs and 14 RBI. He also led the Club in on-base percentage (.371) and slugging percentage (.531). In the NL, he was tied for second in runs and RBI, tied for third in home runs and tied for ninth in hits.

JACK AND MACK: The Marlins named 80 year-old Jack McKeon as interim manager on June 20. He became the second-oldest manager in Major League history behind Connie Mack, who was 87 in 1950, his final season leading the Philadelphia Athletics. The Marlins followed a familiar script in their first game of McKeon's most recent tenure, dropping a 2-1 decision to the Angels. Florida had lost 19 of its last 20 games, with 10 defeats by one run during that span. The Marlins were only the second team in ML history to go 1-19 over a span of 20 games that included 10 one-run losses. The other was the 1943 Philadelphia Athletics, whose manager was an 80 year-old Connie Mack. – Elias Sports Bureau

STREAKING YOU DON'T WANT TO SEE: The Marlins dropped 11 consecutive games from June 11-20, which equaled a Club record that had been done only two times before. The 1998 squad dropped 11-straight from April 1-12, and followed that a month and a half later, from May 26-June 7. The Marlins went 5-23 in the month of June, with the 23 losses being the most during a single month in Franchise history. The previous mark was 20, which had been done five times, and most recently in May 2009. Their .179 winning percentage for the month was tied with the 1987 Baltimore Orioles for the fifth-lowest winning percentage ever in the month of June, behind the 1981 Toronto Blue Jays (0-10, .000), 1997 Philadelphia Phillies (.254, 4-22), 1954 Chicago Cubs (.160, 4-21) and 1979 Oakland Athletics (.172, 5-24).

STREAK SNAPPED: On June 30, Florida snapped a string of 14 consecutive losses in one-run games with its 5-4 win at Oakland. The 14-game slide in such games was tied with live other teams for the fifth-longest streak in the Majors since 1900. The last team to drop 14-straight in a single season was the 1958 Detroit Tigers. The Tigers went on to lose their first five one-run decisions in 1959 and own the second-longest streak in ML history at 19 games. The longest streak in ML history belongs to the Boston Red Sox, a team that dropped 20 straight from July 13-September 10, 1933. – Elias Sports Bureau and Stats Inc.

### **2011 SEASON NOTES**

QUITE A TURNAROUND: The Marlins were 17–10 (.630) in July after going 5–23 (.179) in June. According to the *Elias Sports Bureau*, Florida became just the fourth team in ML history to register a sub-.200 winning percentage in one month and a .600-or-higher percentage the next month (minimum: 20 games each month). The others were the 1885 Detroit Wolverines (NL), 1969 Astros and 1987 Orioles.

MR. 2500: Javier Vazquez quickly moved up Major League Baseball's all-time strikeouts list, amassing 2,536 strikeouts in just 450 games. He reached the 2,500 strikeout plateau in 445 games, which tied Curt Schilling for ninth-fastest in MLB history. He currently stands in 29th place on the distinguished list, 19 K's behind Tim Keefe (2,555).

YEAR AFTER YEAR: In recording his 10<sup>th</sup> win of the season on September 11, Javier Vazquez became the 35<sup>th</sup> pitcher in Major League history to own a streak of 10+ wins in 12-ormore consecutive seasons. The last Major League pitcher with a streak such as his was Mike Mussina, who had a run of 17 consecutive seasons from 1992-2008 (Elias). Vazquez registered double-digit wins in each of the last 12 years and has had at least one such season for each of the six Major League teams he's played for (Expos, Yankees, Diamondbacks, White Sox, Braves and Marlins). Vazquez is the eighth pitcher to register seasons of 10-or-more wins for six different Major League teams, including two pitchers who did it for seven teams: Doyle Alexander and Mike Torrez. – Elias Sports Bureau

THROWIN' UP ZEROS: With 4.0 scoreless innings to begin his last start on September 27 vs. Washington, Javier Vazquez established a Club record for consecutive scoreless innings by running his streak to 29.0 innings. The innings total equaled a career-best for Vazquez, when he did so from August 18-September 2, 2003. He bested the previous Club record for consecutive scoreless frames, passing a 26.1-inning mark set by Luis Aquino from May 9-July 26, 1994. The 29.0 innings marked the fourth-longest streak in the Majors last season, behind 37.2 by Craig Kimbrel (June-14-Sept. 8). Cliff Lee had streaks of 34.0 (June 11-July 3) and 30.2 (August 17-September 10). – Stats Inc.

FISH FARM: The Marlins required the services of 44 players in 2011, just four players over the Club record for fewest players used in a season (40), which was done three times (2000, '03, '06). Twenty-two different plitchers toed the rubber for the Fish, while the field saw 23 different players make an appearance. OF Bryan Petersen left his mark on the field, as well as the mound, when he became the first position player to pitch in a game since Ross Gload tossed 1.0 inning on May 22, 2009 vs. Tampa Bay. Petersen tossed a scoreless ninth inning, allowing just one walk, on July 20 against the Padres.

**ONE AND DONE:** For a Franchise-record sixth time in 2011 (2-4), the Marlins took part in a game that resulted in a 1-0 decision on September 7 against the Mets. The four 1-0 losses matched a Club record for such games, and you have to go back to 1993 to find the last time it happened. The most 1-0 wins in a single season is three, done in 2001, 2002 and 2010. Overall, Florida has gone 23-26 in its history in games that resulted in a 1-0 outcome.

**ONE FOR THE BOOKS:** The third inning of the Marlins' September 9 game in Pittsburgh was one of the most productive of any inning in Marlins history. The 10 hits recorded by the Fish were a Franchise record for a single inning, and the nine runs scored were the second-most ever scored in one inning. The Franchise record for runs in an inning is 10, done on July 9, 2009 at Arizona. Logan Morrison and Bryan Petersen both recorded two hits in the inning, becoming the first pair of Fish to record two hits in the same frame since Luis Castillo and Juan Pierre on May 22, 2004 vs. Arizona (3<sup>rd</sup> inning), while becoming just the fourth pair overall to do so.

**ONE FOR THE AGES:** Giancarlo Stanton, who turned 22 in November, had 56 career home runs prior to his 22<sup>nd</sup> birthday, giving him the fourth-most homers prior to the age of 22 in National League history. Mel Ott (86), Eddie Matthews (72) and Frank Robinson (60) are the only National Leaguers to have posted more. – *Stats Inc.* 

**ROOKIE CROP:** The Marlins called on 13 first-year players over the course of the season, with three of those players making their Major League debuts.

#### WINNING A PAIR

The Marlins are one of three of Major League Baseball's expansion teams to win multiple World Series. Florida accomplished the feat in their first 11 seasons, the fastest among their expansion-mates.

TEAM	EXPANSION YEAR	WORLD TITLES	YEARS
Marlins	1993	1997, 2003	11
Blue Jay	s 1977	1992, 1993	17

#### 1997 POSTSEASON NOTES

POSTSEASON FIRSTS: The Florida Marlins played their first franchise postseason game on September 30, 1997, a 2-1 win over the San Francisco Giants in Miami. Kevin Brown threw the first playoff pitch in franchise history, to Darryl Hamilton. Brown collected the first Florida postseason strikeout, fanning J.T. Snow to lead off the second inning. Brown retired the first 14 Giants he faced before allowing the first hit to an opponent, a single to Stan Javier with two out in the fifth inning. Florida's first postseason batter was Devon White, who faced Kirk Rueter and popped out to second baseman Jeff Kent. The first Marlin to reach base was Gary Sheffield on a two-out first-inning walk. The first Florida hit came off the bat of Bobby Bonilla, following the Sheffield walk. The first run allowed by Florida came in the top of the seventh, when Bill Mueller hit a leadoff homer. The Marlins scored their first run in the bottom of the inning, on a Charles Johnson leadoff homer.

A FIRST FOR EVERYTHING: The Marlins became the first team to qualify for the postseason and win the World Series as a Wild Card. At the time, Florida was the fastest expansion team to win the World Series, done in their fifth season. The Arizona Diamondbacks surpassed Florida's mark, winning their World Series title in 2001, their fourth season.

RECORD WINNING STREAKS: The Marlins were the third team in postseason history to sweep their first playoff series in team history, joining the 1914 Braves, who swept the Philadelphia A's, and the 1969 New York Mets, who swept Atlanta. Florida began its postseason run with four straight wins, only the second team in baseball history with a franchise-opening playoff win streak of four or more games. The Braves won five straight games to open their postseason history, a four-game sweep in the 1914 World Series and a win over Cleveland in the 1948 playoffs.

#### NATIONAL LEAGUE DIVISION SERIES NOTES

SWEEPING SUCCESS: With their 3-0 sweep over the Giants, the Marlins became the fastest expansion team to win a postseason series (surpassed by Arizona in 2001). Prior to the Marlins, the fastest NL team to win a playoff series was the New York Mets, in their eighth season. The Marlins won each of the three games over the Giants in comeback fashion, including games one and two in their final at-bats. The 1997 Marlins led the Majors with 24 last at-bat victories in the regular season.

#### NATIONAL LEAGUE CHAMPIONSHIP SERIES NOTES

LIVAN MOST VALUABLE, PART 1: Livan Hernandez went 2-0 with a 0.84 ERA in two appearances (one start) in the NLCS vs. Atlanta. He became the first pitcher in LCS history to record a win as both a starter (Game 5) and as a reliever (Game 3) in the same series. In Game 5, Hernandez established an NLCS record and tied an LCS record with 15 strikeouts, the second-highest strikeout game in postseason history. His 2-1, three-hit win in Game 5 was his first Major League complete game.

NUMBERS DON'T ALWAYS MATCH UP: The 1997 Marlins became the second team to advance to the World Series, despite posting a lower batting average and higher ERA than their LCS opponent. The Braves outhit the Marlins .253 to .199 and had a 2.60 ERA, compared to Florida's 3.57. The first time it happened was in 1992, when the Braves topped the Pittsburgh Pirates in a series managed by Bobby Cox and Jim Leyland.

#### WORLD SERIES NOTES

LIVAN MOST VALUABLE, PART 2: Livan Hernandez (2-0, 5.27 ERA) became the second rookie in MLB history to win the World Series MVP award, joining Larry Sherry of Los Angeles who claimed the honor in 1959. Hernandez also became the first rookie pitcher in 50 years to win two World Series starts. The last rookie to do it was the Yankees' Spec Shea in 1947. Hernandez became the youngest pitcher to win a World Series opener at the age of 22 years, seven months and 28 days. He was the first rookie to win a Series game since Atlanta's Mike Stanton on October 23, 1991 (G4 vs. MIN), and first rookie starter to win since Baltimore's Storm Davis on October 15, 1983 (G4 at PHI). Prior to Hernandez, the last rookie starter to win a Series opener was Philadelphia's Bob Walk (October 14, 1980 vs. KC).

JIM LEYLAND: Marlins manager Jim Leyland became the first World Series manager not to have played in a Major League game since Boston's John McNamara in 1986. The last National League skipper without Major League playing experience was Philadelphia's Paul Owens in 1983. Leyland became the first manager to win his World Series debut since Cincinnati's Lou Piniella on October 16, 1990, vs. Oakland.

BRRR: In Game Three of the World Series, October 21, the Marlins and Indians played in 15-degree wind chill temperatures, the coldest World Series game ever played, according to records kept.

PLAYING EXTRAS: Game seven of the World Series, won by Florida, 3-2, on an Edgar Renteria single off Charles Nagy in the bottom of the 11th inning, was the third seventh game in World Series history to go to extra innings. The others were played in 1924 and 1991.

**NOTABLE ACCOMPLISHMENTS:** Jeff Conine became the first player to go from the expansion draft to the World Series with the same team. Conine was selected from Kansas City with the 22<sup>nd</sup> pick in the 1992 expansion draft. Conine and Alex Arias are the first players to play for a team in its inaugural season and reach the Fall Classic since the Mets' Ed Kranepool in 1969.

A WINNING DEBUT: The Marlins won their first-ever World Series game on October 18, 7-4, over Cleveland at home. The last two teams playing in their first World Series games won, the last being Toronto in 1992.

**ALTERNATING WINS:** The Marlins won World Series games one, three, five and seven, while the Indians took games two, four and six. It marked the third time in World Series history that teams alternated victories in all seven games, joining the 1909 Fall Classic between the Pirates and Tigers, and the Yankees and Giants in 1962.

A HEART-STOPPER: Game Seven of the World Series marked the fourth time in World Series history that a winner-take-all game in the Fall Classic went into extra innings, along with the 1991 Series (MIN vs. ATL), the 1924 Series (WAS vs. NYG) and the 1912 Series (BOS vs. NYG). Overall, it marked the seventh time that a deciding World Series game went to extra innings, along with the 1933, 1939 and 1996 games. The 1997 Series was the 10th time a Fall Classic was won by the home team in the bottom of the ninth inning or later (with 1912, 1924, 1927, 1929, 1935, 1953, 1960, 1991 and 1993) and the fifth time in a winner-take-all situation.

#### **2003 POSTSEASON NOTES**

The Marlins entered the 2003 postseason as the National League's Wild Card entry, the fourth team in Major League Baseball history to enter the playoffs as the Wild Card multiple times. The Marlins (also Wild Card in 1997), Joined the New York Mets (1999 and 2000), the New York Yankees (1995 and 1997) and the Boston Red Sox (1998, 1999 and 2003). Florida is one of three Major League Baseball expansion teams to make the post-season at least twice in their first 11 seasons. Kansas City came into play in 1969 and made the post-season in 1976, 1977 and 1978. Arizona began play in 1998, and saw postseason action in 1999, 2001 and 2002. The Marlins are one of five teams to advance to the World Series as a Wild Card team and one of two (with Anaheim in 2002) to win it.

SIX STRAIGHT: The Marlins concluded the World Series with wins in each of their six playoff series to open the Club's franchise history. The six straight playoff series wins surpasses the mark of consecutive postseason series wins to begin a team's playoff history, done by the Boston Red Sox, 1903-1918. Of the 29 Major League franchises who have participated in postseason play, the Marlins are the only ones never to lose a series.

A WILD POSTSEASON: During the 2003 postseason, the Marlins posted three extra-inning victories, notched three wins when trailing by three or more runs and collected four wins in their final at-bats. According to Jayson Stark on ESPN.com, the Marlins are the fourth team in postseason history with three extra-inning wins and are the fourth team to win three games when trailing by three or more runs. Additionally, no postseason team had ever won more than four games in their last at-bat.

RECORD-SETTING CROWDS: The NLCS Game 4 crowd of 65,829 against the Cubs on October 12 set a new LCS attendance record, surpassing the previous mark of 65,476 (HOU @ PHI on 10/8/80). The Marlins also set a DS attendance record, drawing 65,464 in Game 4 vs. San Francisco (October 4). The October 23 World Series crowd of 65,975 was the largest World Series crowd since Game 7 of the 1997 Series when the Marlins drew 67,204 to see Florida host the Cleveland Indians.

#### NATIONAL LEAGUE DIVISION SERIES NOTES

A SERIES FOR THE AGES: The NL Division Series between the Marlins and Giants featured 72 year-old Jack McKeon and 68 year-old Felipe Alou. McKeon was the oldest manager to participate in postseason play in Major League Baseball history, while Felipe Alou was the fourth-oldest. Below is a look at the list:

JACK McKEON	2003 FLORIDA	72 YEARS OLD
Casey Stengel	1960 New York (AL)	70 years old
Connie Mack	1937 Philadelphia (AL)	68 years old
Felipe Alou	2003 San Francisco	68 years old
Tommy Lasorda	1995 Los Angeles	68 years old

The two opposing skippers in this NLDS, Jack McKeon and Felipe Alou, had a combined age of 140 years, the highest combined age of any two managers facing each other in post-season history. Below is a look:

COMB. AGE	YEAR	TEAMS	MAN.
140	2003	FLA-SF (DS)	McKeon / Alou
128	1958	NYY-ATL (WS)	Stengel / Haney
126	1957	ATL-NYY (WS)	Haney / Stengel
123	1949	BRO-NYY (WS)	Shotton / Stengel
118	1953	BRO-NYY (WS)	Dressen / Stengel

WHAT WAYS TO WIN IT: The Marlins closed out their series with the Giants in rather historic ways. On Friday, October 3, the Marlins downed the Giants, 4-3 in 11 innings. The Giants scored an unearned run in the top of the 11th and the Marlins countered with two unearned tallies in the bottom. It marked the first time since Game 8 of the 1912 World Series that a team came from behind to win a postseason game with two unearned runs in the bottom of an extra inning, according to the Elias Sports Bureau.

The Marlins followed that classic ending with more excitement on Saturday afternoon, October 4, when the Fish ended the NLDS with a 7-6 win over the Giants. The game ended as Jeff Conine threw out J.T. Snow at home plate off a Jeffrey Hammonds single to left. According to the Ellas Sports Bureau, the event marked the first time in Major League Baseball postseason history that a series ended with the tying run being thrown out at home plate.

CABRERA MATCHES POSTSEASON MARK: Miguel Cabrera went 4x5 in Game 4 of the National League Division Series vs. San Francisco. The four hits tied a Major League post-season record for hits by a rookle, joining NYY's Derek Jeter (1996 ALCS G1), LA's Chad Fonville (1995 NLDS G2), NYG's Freddie Lindstrom (1924 WS G5) and STL Browns' Joe Garagiola (1946 WS G4).

Cabrera had four home runs and 12 RBI in the 2003 postseason, the best single-season rookie home run and RBI marks in MLB playoff history. Entering this postseason, Willie McGee (1982 STL) held the rookie RBI mark at 10. Hideki Matsui had 11 RBI in the 2003 playoffs, one behind Cabrera.

OH THOSE LEFT ON BASE: The Marlins and Giants combined to leave 30 men on base on October 3, setting a new NLDS record. The previous mark was 26, done by the Giants (16) and Mets (10) in a 13-inning contest on October 7, 2000.

#### NATIONAL LEAGUE CHAMPIONSHIP SERIES

PINCH ME: Mike Lowell became the sixth player in MLB postseason history to hit a pinch-hit home run in extra innings when he homered in the top of the 11th inning on October 7 at Chicago. Below is a look at the all-time postseason extrainning PH homer list:

MIKE LOWELL (FLA)	G1 2003 NLCS at CHC
Trot Nixon (BOS)	G3 2003 ALDS vs. Oak
Mike Pagliarulo (MIN)	G3 1991 ALCS at TOR
George Vukovich (PHI)	G4 1981 NLDS vs. MON
John Lowenstein (BAL)	G1 1979 ALCS vs. CAL
Dusty Rhodes (SF)	G1 1954 WS vs. CLF

HOMERS SHALL FLY: The Marlins hit a team postseason high four home runs on October 7 at Chicago. Three of the homers (by Rodriguez, Encarnacion and Cabrera) came in the third inning, marking the first time in NLCS history that a team homered three times in an inning. Cabrera's and Encarnacion's homers were back-to-back, the seventh time in NLCS history that a team had players hit back-to-back homers.

A RECORD-SETTING NIGHT: The 17 extra-base hits by the Marlins and Cubs on October 7 set a new LCS record, surpassing the previous mark of 12, done on October 5, 1975 (OAK and BOS) and October 9, 1993 (PHI and ATL). The seven HR by both teams also set a new LCS record.

CABRERA AMONG THE YOUNGEST: On October 7 at Chicago, Miguel Cabrera became the second-youngest player to homer in the postseason, at 20 years, 182 days. The youngest player to go deep in the playoffs was Atlanta's Andruw Jones (19.178) on 10/17/96 vs. STL.

DONTRELLE WITH THE BAT: Dontrelle Willis became the first Marlins pitcher to collect a multi-hit game in postseason play as he went 3x3 on October 4 vs. SF. Willis' three hits set a postseason rookie pitcher record. He was the first pitcher to post a three-hit postseason game since LA's Orel Hershiser did it in game two of the 1988 World Series vs. Oakland.

#### **2003 POSTSEASON NOTES**

BECKETI'S BEST: The Marlins forced a Game 6 in the NLCS as RHP Josh Beckett threw the first complete game (CG SHO) of his career (regular and postseason) on October 12. The two-hit shutout by Beckett tied the NLCS record for fewest hits allowed in a complete game, joining CIN's Ross Grimley (10/10/72), NY's Jon Matlack (10/7/73) and SF's Dave Dravecky (10/7/87). Beckett's effort was the 15th complete game shutout in NLCS history. Beckett became the first pitcher to shut out the Cubs in a postseason game since Boston's Babe Ruth, who blanked the Cubs in Game 1 of the 1918 World Series.

IN SELECT COMPANY: According to research by ESPN, Josh Beckett became the third pitcher in postseason history to throw a complete game shutout, allowing two hits or less and fanning 10 or more. Beckett joins Roger Clemens (2000 ALCS vs. SEA, 15 K) and Big Ed Walsh (1906 WS vs. CHC, 12 K) on that list.

IN AN ELIMINATION GAME: According to Jayson Stark of ESPN. com, Beckett became the fourth pitcher in the last 40 years to pitch a CG SHO with his team facing elimination (excluding G7's in LCS or WS or G5's in DS). Beckett joined the list with Curt Schilling (1993 WS), Danny Jackson (1985 ALCS) and Joe Coleman (1972 ALCS).

**BIG INNING:** The Marlins scored all eight of their runs in the eighth inning on October 14 at Chicago in an 8-3 win. The eight-run inning established a Marlins playoff record, surpassing their previous best of seven, done in the ninth inning of Game 3 of the 1997 World Series (October 21). The eight-run inning also tied an overall Marlins' record for runs scored in an inning, done for the ninth time overall and the first time since July 25, 2003 vs. PHI. The Fish were one run from tying the allitime NLCS record (nine), done by St. Louis in the second inning on October 13, 1985 vs. LA.

According to ESPN, the Marlins became the fifth team in LCS history to come back from a three-run or greater deficit in postseason play to win when facing elimination, and the first since Game 5 of the 1986 ALCS (Game 5 - Boston at California).

BACK FROM 3-1: The Marlins became the fourth team in LCS history (since 1985) to overcome a 3-1 deficit to capture the pennant. Prior to Florida's accomplishment, only one NL team had done it, the 1996 Atlanta Braves, who won three straight over St. Louis to advance to the World Series. Below is a look at the list of 3-1 LCS comebacks:

Year	LCS comebacks	World Series result
1985	KC over Toronto	KC over STL (4-3)
1986	Boston over California	NYM over BOS (4-3)
1996	Atlanta over St. Louis	NYY over ATL (4-2)
2003	Florida over Chicago	FLA over NYY (4-2)
2007	Boston over Cleveland	BOS over COL (4-0)

AN MVP PERFORMANCE: Marlins catcher Pudge Rodriguez was named the NLCS Most Valuable Player, as he hit .321 (9x28) with two home runs and 10 RBI. The 10 RBI set a new NLCS record, surpassing the previous mark of nine, done by San Francisco's Matt Williams in 1989. Rodriguez became the fifth catcher in NLCS history to win MVP honors. Pudge joins STL's Darrell Porter (1982), ATL's Javy Lopez (1996), ATL's Eddie Perez (1999) and SF's Benito Santiago (2002).

A TOUGH TRICK TURNED: The Marlins advanced to the World Series by winning consecutive road games trailing three games to one, a feat done for the fifth time in postseason history: 1958 (NYY over MIL Braves in WS), 1968 (DET over STL in WS), 1979 (PIT over BAL in WS), 1985 (KC over TOR in ALCS) and 2003 (FLA over CHC in NLCS).

#### **WORLD SERIES**

The Marlins became the first team in MLB history to reach the World Series as a Wild Card entry twice.

OF HISTORIC SIGNIFICANCE: The Marlins became the third expansion team to win multiple World Series, joining the New York Mets and Toronto Blue Jays. The Jays won their two World Championships in their first 17 seasons, while the Mets did it in their first 25 campaigns. The Marlins won two World Championships in their first 11 Major League seasons. The Marlins would become the first team in the post expansion era to accomplish the feat.

JACK McKEON: Marlins manager Jack McKeon became the second manager in Major League Baseball history to lead his team to a World Series championship after taking over his Club during the season. The first manager to accomplish the feat was the Yankees' Bob Lemon in 1978, when he replaced Billy Martin.

EXPANSION NOTABLES: The Marlins were one of five expansion teams to reach the World Series multiple times. The New York Mets lead the list with four Fall Classic entries (win in 1969, loss in 1973, win in 1986 and loss in 2000). The Marlins, San Diego Padres (loss in 1984 and loss in 1998), Toronto Blue Jays (win in 1992, win in 1993) and Kansas City Royals (loss in 1980 and win in 1985) have each made two World Series appearances.

AGE IS A STATE OF MIND: Marlins manager Jack McKeon became the oldest skipper to lead his team to the World Series, as the Series opened with McKeon 72 years and 329 days old. McKeon Is ahead of Casey Stengel (70.067 in 1960 with NYY), Connie Mack (68.283 in 1931 with PHA), Stengel (68.063 in 1958 with NYY), Mack (67.283 in 1930 with PHA) and Stengel (67.064 in 1957 with NYY).

McKeon was the first manager since Philadelphia's Paul Owens (in 1983) to lead his team to the World Series after not beginning the season as that Club's skipper.

HOW DO YOU DO, MR. GONZALEZ: Alex Gonzalez hit a walk-off homer off the Yankees' Jeff Weaver in the bottom of the 12th inning on October 22. It marked the first walk-off homer in Marlins postseason history and holds significance in Baseball history. It marked the 13th time that a World Series game ended on a home run and the first time since October 31, 2001 (G4 vs. ARI), when Derek Jeter homered in the bottom of the 10th inning.

According to research done by ESPN, Gonzalez was the third player in Baseball history to have his first career post-season homer come as a World Series walk off, joining Dusty Rhodes (1954 NYG vs. CLE) and Eddie Mathews (1957 MIL Braves vs. NYY). ESPN also noted that Gonzalez was the third player to hit a walk-off homer against the Yankees in World Series play, joining Bill Mazeroski (1960 G7) and Mathews (1957 G4).

A PENNY FOR YOUR THOUGHTS: RHP Brad Penny went 2-0 with a 2.19 ERA in two World Series starts against the Yankees. Penny became the 13th pitcher to beat the Yankees twice in the same Series, joining Sandy Koufax, Bob Gibson and Randy Johnson as the only four to do so in the last 40 years.

BECKETT NAMED WORLD SERIES MVP: Josh Beckett (1-1, 1.10 ERA in WS) became the youngest World Series MVP since 22 year-old Livan Hernandez claimed the honor for the Marlins in 1997. Beckett became the first pitcher since Minnesota's Jack Morris in 1991 to pitch a complete game shutout in a deciding World Series game, the 19th overall in baseball history. It was the first complete game shutout in a World Series game since Arizona's Randy Johnson on October 28, 2001 at New York. Beckett's five hits were the fewest hits in a deciding complete game shutout since Baltimore's Scott McGregor (5) in 1983. He became the youngest pitcher to win a deciding World Series game (23 years, 5 months, 10 days) since Kansas City's Bret Saberhagen (21.6.16) in 1985. Beckett fanned 47 batters in the 2003 post-season, tying Randy Johnson (2001) for second most strikeouts in a single post-season behind Arizona's Curt Schilling in 2001 (56).

CONTINUED SUCCESS: The Marlins minor league system recorded its fourth consecutive winning season, finishing the year with a combined 351-340 (.508) record between the six clubs. The affiliates had finished with a 350-341 record the prior two seasons, while finishing at 365-324 (.530) in 2008. On an individual level, the Marlins had 21 minor league All-Stars, as well as 10 Pitchers of the Week and five Players of the Week. Additionally, the Marlins named right-handed pitcher Michael Brady Minor League Pitcher of the Year and outfielder Christian Yelich Minor League Player of the Year.

Brady, 24, finished the 2011 campaign with a 7-1 record and a 1.99 ERA (63.1 IP/14 ER) in 49 relief appearances with the Jackson-ville Suns and Greensboro Grasshoppers, allowing only 11 walks (two intentional) while striking out 81 batters. He finished 41 games with the 'Hoppers and recorded 18 saves. His team-high 18 saves ranked third in the South Atlantic League. Brady was the Marlins' 24th round selection of the 2009 First-Year Player Draft from the University of California-Berkeley. In two seasons in the Marlins' minor league system, he owns an 8-2 career record with a 1.87 ERA (91.2/19).

Yelich, 20, finished the year with a batting average of .312 (144x461), a .388 on-base percentage, and a .484 slugging percentage in 122 games with Greensboro. Yelich scored 73 runs, while collecting 32 doubles, one triple, 15 home runs and 77 RBI. He also led the team in batting average (3rd in SAL) and fied for the team-lead in hits (3rd in SAL) and stolen bases (32, 6th in SAL). The Marlins' first round selection (23rd overall) of the 2010 First-Year Player Draft appeared in 12 games in his brief 2010 campaign in the Marlins' minor league system playing in six games each with the GCL Marlins and the Grasshoppers. He hit .362 (17x47) with three doubles, a triple and five RBI while scoring five runs and recording a stolen base over the 12-game span.

FISH FARM: The Marlins had 13 rookies take the field in the Major Leagues this season, with only three making their Major League debut. The team used the second-most rookies of any team in the NL East. Outfielder Bryan Petersen led all Marlins' rookies with 54 hits in 74 games, good for 13th among NL rookies. Left-handed pitcher Mike Dunn led all Marlins' rookie pitchers with five wins. Right-handed pitcher Steve Cishek was voted the team's Rookie of the Year by the South Florida chapter of the BBWAA. Cishek posted a 2-1 record with three saves (three opportunities) and a 2.63 ERA (54.2/16) in 45 appearances in 2011.

DRAFT RECAP: The Marlins did not look far for their top pick in the 2011 First-Year Player Draft, as the Club selected RHP Jose Fernandez out of Tampa, Fla. with the 14th overall selection. Fernandez comes to the Marlins' organization after leading Alonso High School to its second 6A state championship in three years. He is the second Florida high school prospect selected by the Marlins with their top pick in the draft, as the team also selected Chris Volstad with its first pick in the 2005 draft. In the second round, the Fish tabbed left-handed pitcher Adam Conley of Washington State with the 72nd overall pick, and chose Conner Barron, a high-school infielder from Missouri in the third round (102nd overall).

THE COAST IS CLEAR: The GCL Marlins posted the best record in the Gulf Coast League, as the team finished the season with a 38-16 record (,704). The Marlins advanced to the league championship after defeating the GCL Pirates, 5-3. The GCL Marlins and Yankees squared off in a best-of-three game series to decide the championship. The Marlins fell in the deciding game three by a score of 3-1. The GCL Marlins also reached the finals in 2009 and fell in two games to the Nationals.

HOT SINCE '82: The Greensboro Grasshoppers won their first title since 1982 as the 'Hoppers defeated the Savannah Sand Gnats for the South Atlantlic League championship. The Club won 20 of its final 26 games down the stretch to claim the North Division second-half title and advance to the playoffs. The Marlins' organization has had a minor league affiliate win its league championship in each of the past three years.

**EARNED RUN AVERAGE (ERA):** Multiply the number of earned runs by nine and then divide that number by the number of innings pitched.

**FIELDING AVERAGE (PCT.):** Divide the total putouts and assists by the total of putouts, assists and errors.

**MAGIC NUMBERS:** Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

**ON-BASE PERCENTAGE (OBP.):** Add the total of hits, walks, hit by pitches and divide by the total of at bats, walks, hit by pitches and sacrifice flies.

SLUGGING AVERAGE (SLG.): Divide the total bases of all safe hits by the total times at bat (at-bats do not include walks, sacrifices, hit-by-pitch, or times awarded first base because of interference or obstruction).

**WINNING PERCENTAGE:** Divide the number of games won by the total games won and lost.

QUALIFICATIONS FOR BATTING CHAMPIONSHIP: Highest batting average based on a minimum of 502 plate appearances, the equivalent of 3.1 appearances for each of the 162 scheduled games, which may include walks, sacrifices, hit by pitch, etc.

**QUALIFICATIONS FOR PITCHING (ERA) CHAMPIONSHIP:** Lowest earned run average with a minimum of 162 innings pitched.

**QUALIFICATIONS FOR A FIELDING CHAMPIONSHIP:** The fielders with the highest fielding average at each position, provided:

(1) A catcher participates as a catcher in at least onehalf the number of games scheduled for each club in his league that season.

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season.

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each Club in his league that season. EXCEPTION: if another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion. NOTE: These figures DO NOT determine Rawlings Gold Glove winners at the end of the season. Those are selected by a vote of managers and coaches.

QUALIFICATIONS FOR A ROOKIE: A player with no more than 130 at-bats or 50 innings pitched in the Major Leagues during the previous season or seasons, nor more than 45 days on a Major League roster during the 25-man player limit (excluding time in military service).

**PINCH HITTING:** A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat, which must be before he becomes a fielder. If the team bats around in the inning and a pinch hitter comes up a second time, he will not be considered a pinch hitter the second time.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

#### ITEMS OF INTEREST

BLOWN SAVE DEFINITION: When a relief pitcher enters a game in a save situation and departs with the save situation no longer in effect because he has given up the lead, he is charged with a blown save. If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity. This method has been a part of the Rolaids formula since 1988.

#### DISABLED LISTS:

15-Day: The player must remain off the active roster for a minimum of 15 calendar days, starting on the day following the player's last game.

60-Day: Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after August 1 may not play for the remainder of the season, including any post-season game.

EMERGENCY: Maximum number of players on list at one timeno limit. Minimum period of inactivity is 60 calendar days. Players placed on this list after August 1 shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:

--Six years of Major League Service continues to be required to be eligible for free agency.

--The Re-Entry Draft has been abolished.

--A player has 15 days from the first day following the World Series to file for free agency.

--By December 1, former club must offer to arbitrate or become eligible to sign player. By December 7, player must accept or reject the offer. Should the club fail to tender or renew the contract, the player shall become a free agent without and restrictions or qualifications. The player will be eligible to sign with all clubs including the club which did not offer arbitration. --If club and player proceed to arbitration, maximum salary cut rules do not apply.

--Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

**NIGHT GAME:** A night game shall be any game with the official starting times fixed after 5:00 p.m. All games, with official starting times fixed for 5:00 p.m., prevailing time, or earlier, shall be "day games."

PLAYER LIMITS: A Major League roster consists of 40 players until Opening Day, when the number must be reduced to 25 until September 1, when it again becomes 40.

**REGULATION GAME:** A regulation game consists of nine innings unless extended because of a tie score or

shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-inchief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-inchief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

#### SPRING TRAINING INFORMATION

The Miami Marlins enter their 10th Spring Training at Jupiter's Roger Dean Stadium, approximately one and a half hours north of the Club's regular season home of the New Marlins Ballpark. The complex is located on approximately 110 acres within the Abacoa Community. Abacoa is located on Donald Ross Road, approximately 1/4 mile east of Interstate 95. The Marlins share the Palm Beach County facility with the St. Louis Cardinals, the only multiple-team Spring Training site in the Grapefruit League.

Roger Dean Stadium was named the Professional Baseball Field of the Year by the Sports Turf Managers Association.

In 2003 Baseball America recognized Roger Dean Stadium as baseball's fifth-best spring training facility,

The Marlins begin their 20th spring training on Sunday, February 27, when they take on the University of Miami in an exhibition contest. The club will start their Grapefruit League schedule on February 28, playing as the visiting team against the St. Louis Cardinals. The Marlins spent their inaugural Spring Training at the Cocoa Expo Center in Cocoa Beach and played nine years (1994-2002) at Space Coast Stadium in Viera (Melbourne).

The \$28 million state-of-the-art complex opened on February 28, 1998 and accommodates 7,000 fans with luxury sky box seats, field and loge box seats, bleachers and berm seating. The ballpark seats approximately 6,700 and another 300 fans can spread out on a blanket and catch a closer glimpse of the game from the berm seating, located just in front of the Party Deck in right field. The six air-conditioned luxury suites provide 320 square feet of interior entertainment including a wet bar, refrigerator, sink, ice maker, color television with VCR, sofa, bar stools and additional seats. Each suite has seating for 12 (outdoors) and is available with a private entrance and elevator access.

Following spring training, the complex is the home of the Class A Jupiter Hammerheads (Florida affiliate) and the Palm Beach Cardinals (St. Louis affiliate) of the Florida State League.

Offices for the Marlins Media Relations Department and the media workroom are located in the Marlins executive offices, beyond the left field wall at Roger Dean Stadium. The Press Dining area is located in the main press box area.
